## Biographical Information

Lara Maestripieri holds a PhD in Sociology and Social Research. She is Senior Lecturer in Economic Sociology at the Laboratory of Social Policies (DASTU/Polytechnic of Milano). She has been Marie Skłodowska-Curie fellow at the Institute of Government and Public Policies (IGOP) at the Universitat Autònoma de Barcelona (2017-2019), where she is member of the Research group Analysis, Management and Evaluation of Public Policies (AGAPP). She is the current Secretary/Treasurer of ISA RC52 “Sociology of Professional Groups” board. Her main interests of research is social change in post-industrial society and in particular: marginalised groups in labour markets (women and young people), social innovation and emerging professions.

Publications, news and activities are available in her personal homepage: [www.laramaest.org](http://www.laramaest.org).
