

CHIARA BARATTUCCI

Curriculum Vitae

Part I – General Information

Full Name	Chiara BARATTUCCI
Citizenship	Italian
Spoken Languages	Italian, English, French

Part II – Education

Type	Year	Institution	Notes (Degree, Experience,...)
University graduation	1995 University Degree (<i>Laurea</i>)	IUAV – Istituto Universitario di Architettura di Venezia	IUAV University, five-years Degree in Architecture - Study Plan and Thesis in Urbanism - Thesis title: "Describing Territory: an integrated urban system in the North-Eastern Sicily " (Supervisor Professor: Prof. Bernardo Secchi) - Degree vote: 110/110
Post-graduate studies	1997 (Post-University Degree - Certificate CEAA)	EAPB - Ecole d'Architecture de Paris-Belleville	One-year specialisation course (Academic Year 1996-1997) - CEAA – <i>Certificat d'Etudes Approfondies en Architecture</i> – « <i>Architecture Urbaine</i> » - Certificate obtained after exams - Work products: reports, urban studies and urban design Paris and the Ile de France

Pre-doctorate training	1998 (Post-University Degree – Diploma DEA)	IFU – Institut Français d’Urbanisme (University Paris VIII) and Ecoles d’Architecture	One year specialisation course (Post – Degree, Pre - doctorate training) Academic Year 1997-1998 – « DEA - <i>Diplôme d’Etudes Approfondies « Le Projet Architectural et Urbain : théories et dispositifs »</i> - Diploma obtained after exams, stage and Thesis (Title thesis: « <i>Changements des formes urbaines / Changements des discours et des démarches – Italie, 1980-1998</i> », Supervisor Professor : Philippe Panerai (112 pag.) – Vote : Bien
PhD	2002 (PhD – Joint Supervision Italie/France)	University of Palermo and University Paris VIII	PhD Italie/France - with three-years scholarship 1998-2001 - in “Urban and Territorial Planning” (<i>Pianificazione Urbana e Territoriale – SSD Icar/21</i>) University of Palermo, supervisor Prof. Paolo La Greca – PhD in “Urban Planning” (<i>Urbanisme et Aménagement – Le projet architectural et urbain</i>), University Paris VIII, Supervisor: Prof. Yannis Tsiomis - (<i>Dottorato in co-tutela Italia/Francia, 1998 – 2001</i>) - Thesis title: "Beyond the dense city. Plurality of interpretations and intervention strategies on the forms of dispersed urbanizations with individual habitat in prevalence. France and Italy 1960-2000" – PhD obtained with honours and praise (PhD-France vote : <i>très honorable avec félicitation à l’unanimité</i> ; PhD-Italy vote : <i>ottimo</i>) – PhD final Commission - Profs : Paolo Colarossi, Thierry Paquot, Giorgio Piccinato, Marcel Roncayolo + supervisors.
Post-PhD Degree - 4 years research contract	2007	University of Catania – Faculty of Architecture	Post – PhD Degree – Four-years post-PhD Research contract (<i>Assegnista di ricerca quadriennale dal 3/2/2003 al 2/2/2007</i>) – University of Catania – Faculty of Architecture, based in Syracuse, Departements DARP / ASTRA – Research title: “Rules and regulations of the urban fabric of the late nineteenth century: project proposals towards renovations and innovations in Paris and the Paris region 1980-2005” (102 p.) - Supervisor Professor: Giuseppe Dato

National Scientific Abilitations (University)

Accademic Field (“Settore Concorsuale”)	Level
<p>08/F1 – Urban and Territorial planning, urban project (<i>Pianificazione e Progettazione Urbanistica e Territoriale</i>)</p> <p>Academic Disciplines (<i>Settori Scientifico Disciplinari</i>): <i>Icar/20 – Tecnica e Pianificazione Urbanistica</i> <i>Icar/21 - Urbanistica</i></p> <p>(Italy - MIUR – <i>Ministero dell’Istruzione, dell’Università e della Ricerca</i>)</p>	<p>Level II – <i>Professore Associato</i> - Associate Professor</p> <p>National Scientific Abilitation <i>(ASN - Abilitazione Scientifica Nazionale)</i></p> <p>obtained in February 2015</p>
<p><i>Groupe IV – Sections CNU – Conseil National des Universités:</i></p> <p>24 – Spatial Planning, Urbanism (<i>Aménagement de l’espace, Urbanisme</i>)</p> <p>23 – Geography (<i>Géographie physique, humaine, économique et régionale</i>)</p> <p>18 – Architecture</p> <p>(France - MENR – <i>Ministère de Education Nationale, de l’Enseignement Supérieur et de la Recherche</i>)</p>	<p>Level II – <i>MCF - Maître de Conférences</i></p> <p>National Scientific Abilitation</p> <p><i>Qualification aux fonctions de Maître de conférences</i></p> <p>Obtained in 2012 and in 2011</p> <p>(Section CNU 24 – abilitation already obtained in 2006 – confirmation in 2012) (Section CNU 18 – abilitation already obtained in 2006 – confirmation in 2011) (Section CNU 23 – abilitation obtained in 2011)</p>

Part III – Appointments

Start	End	Institution	Position
2007	2020	University IUAV of Venice, Faculties of Architecture and Urban Planning (Departments Cdp, Dacc, Dppac)	<p>Adjunct Professor (<i>professore a contratto</i>) - Academic Field Cnu 08/F1 – SSD Icar/21 and Icar/20 - Teaching activities in Degree Courses and Laboratories of Master and Bachelor</p> <p>Thesis University Degree Supervisor (<i>relatore e correlatore di Tesi di Laurea Magistrale</i>)</p> <p>President of various level examination Commissions</p> <p>Lecturer in project workshops</p> <p>PhD thesis Consultant</p> <p>Research projects editor</p> <p>University research on the relationship zoning/mixité</p> <p>Responsible for organizing seminars, congresses, expositions</p> <p>Responsible of the Module at Iuav “Urban Regeneration” (Master “Urban Culture” with Unia – University of Augsburg)</p>
2014	2020	Polytechnique of Milan – Faculty of Architecture, Urban Planning, Construction Engineering (and Architecture and Society) - DasTu	<p>Adjunct Professor (<i>professore a contratto</i>)- Academic Field Cnu 08/F1 (SSD Icar/21 and Icar/20) - Teaching activities in Degree Courses and Laboratories of Master and Bachelor</p> <p>President and Member of various level examination Commissions</p>
2014	2015	University Ferrara, Architecture	Thesis University Degree Supervisor
2006	2010	Université Paris 12 – IUP – Institut d’Urbanisme de Paris	<p>Adjunct Professor (<i>professore a contratto</i>) .- Teaching activities in Courses and Laboratories of Master</p> <p>Member of examination Commissions</p> <p>Member of the Research University Laboratories “Vie Urbaine - Gerphau” (participation in researches, seminar organizer and speaker)</p> <p>Member of the Research University Laboratory “Louest” (participation in researches, seminar organizer and speaker)</p>

			Member of the Research University Laboratory “Lavue” – (participation in researches, seminar organizer and speaker)
			Responsible (with others) of filing and digitization of the thesis (of the historical archive)
2007	2009	Université Marne La Vallée – Master “Cité – Mobilité”	Adjunct Professor (<i>professore a contratto</i>) Member of examination Commissions
2003	2007	University of Catania, Faculty of Architecture in Syracuse	Adjunct Professor (<i>professore a contratto</i>) Academic Field Cnu 08/F1 – SSD Icar/21 and Icar/20 Four-years post-PhD Research contract Icar/21 (<i>Assegno di ricerca quadriennale</i>) PhD Tutor for Doctoral Thesis and Teaching activities in PhD courses President and Member of various level examination Commissions Member of the Committees of Bachelor’s and Master’s Degree in Architettura and of Department ASTRA Member in Researches Miur 40% Member in Research Pra 60% Member in Researches Darp Responsible for organizing seminars and study trips
2004	2005	Ecole d’Architecture de Bretagne - Rennes	Adjunct Professor (<i>Professore a contratto</i>) Lecturer in project workshops Member of examination Commissions
2003	2004	Ecole d’Architecture Paris La-Villette –Research Laboratory Let	Researcher LET - Laboratoire Espace et Travail (for Research PUCA)
2002	2003	Ecole d’Architecture de Paris-Belleville	Adjunct Professor (<i>Conferencier</i>) – in Master post-Degree
1998	2002	University of Palerme / University Paris VIII	PhD Fellow 1998-2001 - Member of the Research Laboratory (Ecole d’Architecture Paris-Villemin – University Paris VIII) PhD Fellow 1998-2001 – Member of the editorial editing committee of <i>InFolio</i> (PhD Scientific magazine - University of Palerme, Faculty of Architecture)

1999	2002	University of Messina – Faculty of Engineering	Teaching Assistant with Contract (<i>Cultore della materia</i>) Member of examination Commissions Member in Researches Murst 40%
1998	2001	University of Catania, Faculty of Architecture in Syracuse	Teaching Assistant with Contract (<i>Cultore della materia</i>) Member of examination Commissions Member in Researches Murst 40% Responsible for organizing seminars
1996	1998	University of Messina – Faculty of Engineering	Assistent (at the invitation of Professor Giuseppe Dato)
1995	1996	IUAV – University Institute of Architecture in Venice	Assistent (at the invitation of Professor Bernardo Secchi)

Part IV – Teaching experience

Year	Institution	Lecture/Course
A.Y. 2020-2021	Polytechnique of Milan – Faculty of Architecture, Urban Planning, Construction Engineering – Dastu, Department of Architecture and Urban Studies – Master’s Degree ADU – Architecture and Urban Design (<i>Ultimo anno del Corso di Laurea Magistrale Adu</i>)	Adjunct Professor (<i>professore a contratto</i>) – Thematic Laboratory A - Course: Urban Design – 4cfu (Academic Field Cnu: 08/F1 - Urban and territorial planning, urban design - Academic Discipline: Icar/21 – Urbanism – First semester – fifth year - Title of the course and topic of the students projects: <i>The regeneration of production zones in the Varesotto for the redevelopment of the living spaces in contemporary territories</i>)
A.Y. 2020-2021	University IUAV of Venice – Dcp – Department of Project Culture - Bachelor’s Degree (<i>Terzo anno del Corso di Laurea Triennale “Architettura Costruzione Conservazione”</i>)	Adjunct Professor (<i>professore a contratto</i>) – Course: Urbanism – 6cfu – Second semester – 3 rd year - Academic Field Cnu: 08/F1 - Urban and territorial planning, urban project - Academic Discipline: Icar/20 - Urban Planning. Topic of the students projects: <i>Regenerations of different urban situations in the venetian territory</i>

A.Y.
2019-
2020

Polytechnique of Milan – Faculty of Architecture, Urban Planning, Construction Engineering – Dastu, Department of Architecture and Urban studies – Master’s Degree ADU – Architecture and Urban Design (*Ultimo anno del Corso di Laurea Magistrale Adu*)

Adjunct Professor (*professore a contratto*) – Final Laboratory C - Course: Urbanism – 4cfu (Academic Field Cnu: 08/F1 - Urban and territorial planning, urban design - Academic Discipline: Icar/21 – Urbanism – First semester – fifth year - Title of the course and topic of the students projects: *The regeneration of production zones for the redevelopment of the living spaces in contemporary territories*

A.Y.
2018-
2019

University IUAV of Venice – Dacc – Departement of Architecture, Construction, Conservation – Master’s Degree Apna (*Ultimo anno del Corso di Laurea Magistrale Apna - Architettura per il nuovo e per l’antico*)

Adjunct Professor (*professore a contratto*) - Course: Urbanism – 6cfu (Academic Field Cnu: 08/F1 - Urban and territorial planning, urban project - Academic Discipline: Icar/20 – Urban Planning) – First semester - Title of the course: «European sustainable urbanism for the saving of soil and for urban and territorial regenerations (1987-2017)»– Topic of the students Urban and territorial projects: *Regenerations of ancient abandoned rural villages.*

A.Y.
2018-
2019

Polytechnique of Milan – Faculty of Architecture, Urban Planning, Construction Engineering – Dastu, Department of Architecture and Urban studies – Master’s Degree ADU – Architecture and Urban Design (*Ultimo anno del Corso di Laurea Magistrale Adu*)

Adjunct Professor (*professore a contratto*) – Final Laboratory C - Course: Urbanism – 4cfu (Academic Field Cnu: 08/F1 - Urban and territorial planning, urban design - Academic Discipline: Icar/21 – Urbanism – First semester – fifth year (*Ultimo anno del Corso di Laurea Magistrale Adu*) - Title of the course and topic of the students projects: *The regeneration of production zones for the redevelopment of the living spaces in contemporary territories*

A.Y.
2017-
2018

University IUAV of Venice – Dacc – Departement of Architecture, Construction, Conservation – Master’s Degree (*Magistrale Apna – “Architettura per il nuovo e per l’antico”*)

Adjunct Professor (*professore a contratto*) - Course: Urbanism – 6cfu (Academic Field Cnu: 08/F1 - Urban and territorial planning, urban project - Academic Discipline: Icar/20 – Urban Planning) – First semester (*Ultimo anno del Corso di Laurea Magistrale Apna*) - Title of the course: «European sustainable urbanism for the saving of soil and for urban and territorial regenerations (1987-2017)»– Topic of the students Urban and territorial projects: *Regenerations for the landscape of ancient abandoned rural villages.*

A.Y. 2017- 2018	University IUAV of Venice – Dppac – Department of Urban Planning and Project in Complex Environments - Master’s Degree (<i>Magistrale “Architettura e Innovazione”</i>)	Adjunct Professor (<i>professore a contratto</i>) – Laboratory of Project 2B - Course: Urbanism – 6cfu – First semester - Academic Field Cnu: 08/F1 - Urban and territorial planning, urban project - Academic Discipline: Icar/21-Urbanism (<i>Ultimo anno del Corso di Laurea Magistrale Architettura e Innovazione</i>) - Topic of the students territorial projects: <i>Reuse and transformation of little brownfields in the widespread venetian urbanization.</i>
A.Y. 2017- 2018	Polytechnique of Milan – Faculty of Architecture, Urban Planning, Construction Engineering – Dastu, Department of Architecture and Urban studies – Bachelor’s Degree (<i>Triennale “Progettazione dell’Architettura”</i>)	Adjunct Professor (<i>professore a contratto</i>) – Laboratory of Project – Course: Urbanism – 4cfu - Annual course - Academic Field Cnu: 08/F1 - Urban and territorial planning, urban project - Academic Discipline: Icar/21-Urbanism – (<i>secondo anno, Corso di Laurea Triennale</i>) – Topic of the urban project in Laboratory: <i>Sustainable restructuring of the disused railway station in Lambrate</i>

A.Y. 2016-2017

(From Octobre 2016 to september 2017)

University IUAV of Venice – Dacc – Department of Architecture, Costruction, Conservation - Master’s Degree – First semester (*Ultimo anno del Corso di Laurea Magistrale “Architettura per il nuovo e per l’antico”*)

Adjunct Professor (*Professore a contratto*)

Academic Field CNU: 08/F1 (Urban and territorial planning, urban project)

Course with ex cathedra lessons and project exercice, Title : « European sustainable urbanism for the saving of soil and for urban and territorial regenerations (1987-2017)” – 6cfu

Academic Discipline : Icar/20 – Urban Planning

Topic of the students Urban and territorial projects: *Sustainable restructuring - the agricultural landscape along the River Tagliamento*

A.Y. 2016-2017 and 2015-2016

(Two consecutive Academic Years : From October 2015 to September 2017)

Polytechnic of Milan – School of Architecture and Society

Dastu – Department of architecture and urban studies

Bachelor’s Degree (*Secondo anno Triennale*) - Annual course

Adjunct Professor (*Professore a contratto*)

Academic Field CNU: 08/F1 (Urban and Territorial planning, urban project)

Course: Urbanistica (Urbanism) – 4cfu

Academic Discipline : Icar/21- Urbanism

Topic of Urban project in Laboratory : *The renovation of the Hospital area in Merate*

A.Y. 2015-2016

(Academic Year 2015-2016 - From October 2015 to September 2016)

Polytechnic of Milan – School of Architecture and Society

Dastu – Department of architecture and urban studies

Master's Degree (*Magistrale*) – first semester

Adjunct Professor (*Professore a contratto*) –

Academic Field CNU: 08/F1 (Urban and territorial planning, urban project)

Course: “*Progettazione urbanistica e trasformazioni urbane*”

(Urban Project and Urban transformations) – 6 cfu - in Laboratory of Urban Project

Academic Discipline : Icar/21 - Urbanism

Topic of Urban project in Laboratory : *Sustainable restructuring and regenerating : the brownfield-territory along the River Seveso*

A.Y. 2014-2015

(From February 2015 to september 2015)

University IUAV of Venice – Dppac – Department of Urban Planning and Project in Complex Environments - Master's Degree – Second semester

Adjunct Professor (*Professore a contratto*)

Academic Field CNU: 08/F1 (Urban and territorial planning, urban project)

Course: “*Sviluppo Urbano e sostenibile*” (Sustainable and Urban Development) – 6cfu

Academic Discipline : Icar/21 – Urbanism

Topic of project: *Sustainable urban regeneration of a degraded neighborhood, Marghera-Sud*

A.Y. 2014-2015

(From October 2014 to September 2015)

Polytechnic of Milan – School of Architecture and Society - Dastu

Master's Degree (*Magistrale*) – first semester

Adjunct Professor (*Professore a contratto*)

Academic Field CNU: 08/F1 (Urban and territorial planning, urban project)

Courses in Laboratory of Urban Project:

“*Progettazione degli spazi aperti*” (Open Spaces Project) - 4 cfu

Academic Discipline : Icar/20 – Technique and Urban Planning

“*Progettazione urbanistica e trasformazioni urbane*”

(Urban Project and urban transformations) – 6 cfu

Academic Discipline : Icar/21 – Urbanism

Topic of Urban project in Laboratory : *Sustainable restructuring and regenerating: the brownfield-territory along the River Lambro*

A.Y. 2013-2014

University Iuav of Venice

Adjunct Professor – Participation in the Workshop of the Ecole Nationale Supérieure de Paris - La Villette about Forte Marghera – Directors, Professors: Didier Rebois and Chris Younès

Academic Discipline: ICAR / 21 – Urbanism

A.Y. 2010-2011, 2011 – 2012, 2012-2013

(for three consecutive Academic Years)

University IUAV of Venice – Faculty of Architecture

Clasa-Bachelor's Degree (first semester, 3rd year, 105 h)

Adjunct Professor (*Professore a contratto*) – Responsible of Laboratory of Urban Project

Academic Field: 08/F1 – Academic Discipline: Icar/21 - Urbanism

Topic of the Urban Project in Laboratory:

Towards a 'sustainable' regeneration of the River Brenta territory, between Venice and Padua

A.Y. 2009-2010

University di Paris XII - IUP - Institut d'Urbanisme de Paris

Master's Degree « Urbanisme et territoires » Mention « Urbanisme »

Adjunct Professor (*Maître de conférences vacataire*) – second semester

Academic Discipline (Section CNU) : 24 – Aménagement de l'espace – Urbanisme

Course : «Villes et Communication» (with Professor Thierry Paquot)

A.Y. 2007-2008, 2008-2009, 2009-2010

(for three consecutive Academic Years)

University IUAV of Venice – Faculty of Architecture

Clasa-Bachelor's Degree (first semester, 3rd year, 105 h)

Adjunct Professor (*Professore a contratto*) – Responsible of Laboratory of Urban Project

Academic Field: 08/F1 – Academic Discipline: Icar/21

Topic of the Urban Project in Laboratory:

Towards a 'sustainable' regeneration of "central area" of Veneto

A.Y. 2007-2008 and 2008-2009

(for two consecutive Academic Years)

Université de Marne La Vallée

Master «Cité - Mobilité»

Adjunct Professor (*Maître de conférences vacataire* 18h – First semester)

Academic Discipline (Section CNU): 24 – Aménagement de l'espace – Urbanisme

Course "Histoire and Theory of Urbanism"

The course (ex cathedra and in situ) is about French urbanism - after World War II until today (*grands ensembles, villes nouvelles, périurbanisation, etc.*)

A.Y. 2008-2009

(From February 2009 to July 2009)

University IUAV of Venice - Faculty of Urban and Territorial Planning

Bachelor's Degree Clasput, 70h (second semester)

Adjunct Professor (*Professore a contratto*)

Academic Field: 08/F1 – Academic Discipline: Icar/20 – Technique and Urban Planning

Course: "Laboratory of Urbanism" (with professor Liliana Padovani)

Topic of Laboratory:

A.Y. 2006-2007, 2007-2008, 2008-2009

(for three consecutive Academic Years)

Université Paris XII - IUP - Institut d'Urbanisme de Paris

Master's Degree « Urbanisme et territoires » Mention « Urbanisme »

(first and second semester)

Professore a contratto (*Maître de conférences vacataire*)

Academic Discipline (Section CNU): 24 – Aménagement de l'espace – Urbanisme

Courses :

- "City, Urban Planning and Communication" (with Professor Th. Paquot)
- "Making and thinking the city in contemporary times" (with Associated Prof. L. Coudroy de Lille)
- "History and theories of the city" (with Associated Professor L. Coudroy de Lille)
- "Atelier of territorial communication" (with Professor Th. Paquot and B. Ecrement)

A.Y. 2003-2004, 2004-2005, 2005-2006

(for three consecutive Academic Years)

University of Catania – Faculty of Architecture in Syracuse

Adjunct Professor (Professore a contratto – Bachelor's Degree – 3d year)

Academic Field: 08/F1

- Course ex cathedra: "Theories of Urban and Territorial planning"

Academic Discipline: Icar / 20 – Technique and urban planning

- Teaching activities in two Laboratories of Urbanism – Academic Disciplines: Icar/20 and Icar/21 (with Professor Giuseppe Dato)

- Tutor of PhD « Analysis, planning and integrated management of the territory » - University of Catania (correction doctoral thesis with Professor Giuseppe Dato)

- Member of several examination Committees for the Academic disciplines Icar/20 and Icar/21

- Member of the Committees of Bachelor's and Master's Degree in Architecture and of Department ASTRA

A.Y. 2004-2005

(From Octobre 2004 to Septembre 2005)

Ecole d'Architecture de Bretagne – Rennes

Adjunct Professor (Maître-assistant associé, full-time)

Academic Fields : «Urbanisme et Projet Urbain» and «Histoire et cultures architecturales»

a) Courses ex cathedra :

1. The urban planning and architecture of antiquity (1st year, 30h)
2. The urban planning and architecture in the Middle Ages (1st year, 30h)
3. The Urban planning and architecture in the twentieth century (3rd year - 30h)

b) Teaching activities (with Philippe Revault) in *Ateliers de Projet urbain* (5th year)

c) Participation in project workshop

d) Member of the Committees of examinations (1st and 3rd year and Degree dissertations)

A.Y. 2002-2003

(From Octobre 2002 to June 2003)

EAPB - Ecole d'Architecture de Paris-Belleville

Master *post-lauream* - DPEA - «Architecture des territoires et projets urbains»

Adjunct Professor (*Conférencier*) -

Course: “Urban projects and metropolitan suburbs” (with Associated Professor N. Eleb Harlé)

Discipline : «Urbanism and Urban Project»

A.Y. 1999- 2000, 2000-2001, 2001 - 2002

(for three consecutive Academic Years)

University of Messina – Faculty of Engineer

Teaching Assistant with Contract (Cultore della materia)

Academic Discipline : Icar/20 – Technique and Urban Planning

Teaching Activities in the Laboratory of Urban Planning (with Professors Giuseppe Dato and Paolo La Greca); Lessons in course “Technique and Urban Planning” (4th year, Professor P. La Greca);

Member of various Exams Commissions for the Academic Discipline Icar/20

A.Y. 1998-1999, 1999-2000, 2000 – 2001

(for three consecutive Academic Years)

University of Catania, Faculty of Architecture in Syracuse

Teaching Assistant with Contract (Cultore della materia)

Area VIII - "Planning and Urban Project”

Teaching activities in courses ex cathedra and in Laboratory of Urbanism, review thesis (with Professor

Giuseppe Dato) and Member of various Exams Commissions for the Academic Disciplines Icar/20 and Icar/21

A.Y. 1996 – 1997 , 1997-1998

(for two consecutive Academic Years)

University of Messina – Faculty of Engineering

Assistent (at the invitation of Professor Giuseppe Dato)

Academic Discipline : Icar/20 – Technique and Urban Planning

Teaching activities (with Professor G. Dato and F.C. Nigrelli) – courses ex cathedra and Laboratory of Urbanism (4th year)

A.Y. 1995-1996

(from novembre 1995 to september 1996)

IUAV – University Institute of Architecture in Venice

Assistent (at the invitation of Professor Bernardo Secchi)

Academic Discipline : Icar/21 – Urbanism

Teaching activities in Laboratory and Studios of Urbanism (4th year)

Part V - Society memberships, Awards and Honors

Year	Title
2010 – 2019	Affiliated Researcher - Laboratory LAVUE UMR CNRS 7218 – Paris
2019	Idoneity after Public competitions for a <i>Ricercatore B</i> Post – Trento University – 08/F1 – Icar/20
2007 - 2010	- Affiliated Researcher - Laboratory LOUEST UMR CNRS 7145 - Paris, Unit-Research Vie Urbaine (IUP - Institut d'Urbanisme de Paris - University Paris XII)
2009 - 2010	Affiliated Researcher – Laboratory “Vie Urbaine” - IUP - Institut d'Urbanisme de Paris - Université Paris XII
2004 - 2018	Invited as keynote speaker for seminars, congress or lessons in various Universities (not only in Europe)
2017	Very positive book review has been published in France in scientific magazine <i>di classe A</i> (it’s about my book published in 2013)
2014	Very positive book reviews have been published in Italy, England and France in scientific magazines <i>di classe A</i> (C. Barattucci book published in 2013)
2015	Italian National Scientific Abilitation – Level II – <i>Prof. associato</i> – <i>Settore conc. 08/F1</i>
2012 2006	French National Scientific Abilitation Level II – <i>Maitre de Conférence</i> – <i>Secteur 24</i>
2011	French National Scientific Abilitation - Level II – <i>Maitre de Conférence</i> – <i>Secteur 23</i>
2011 2006	French National Scientific Abilitation - Level II – <i>Maitre de Conférence</i> – <i>Secteur 18</i>
2006 – 2009	Idoneities after Public competitions - Level II for <i>Maître de conférence</i> Posts – French Universities
2005	Very positive book reviews have been published in Italy and France in scientific magazines <i>di classe A</i> (C.Barattucci book published in 2004)
2002 – 2004	Idoneities after Public competitions for <i>Maître assistant</i> Posts – French Schools of Architecture

Part VI - Funding Information - Scholarships

Year	Title	Program	Grant value
2003	Winner of 4 years scholarship (University of Catania - <i>assegno di ricerca</i> Icar/21)		
1998	Winner of PhD scholarship (University of Palermo and FSE)		
1996	Winner of post-lauream scholarship (Iuav - Venice - Law n. 398 - 30/11/1989)		

Part VII – Research and Project Activities

2020 - Scientific Responsible at the Iuav University of Venice of the "Urban Regeneration" Module - Erasmus Mundus Joint Master Degree "Urban Culture" - program / project in definition (Other Partenarian Universities of the Master: Augsburg University - lead partner; University of Coimbra; Université Paris VIII; University of Santiago de Compostela; University of Kiel; University of Buenos Aires - Argentina; University of Sao Paulo - Brazil)

2010 - 2020 – Research / teaching work: "Trends on European sustainable urbanism regenerating the existing urbanization. France and Italy". Considering a close relationship between research and teaching, it's a research work related to my teaching activity at the University IUAV of Venice (Laboratories and Courses of Urbanism IUAV University-Venice AA 2007-2020) and at the Polytechnic of Milan (Laboratories of Urban Project, AA 2014-2020).

2010 – 2019 – Affiliated Researcher - Laboratory LAVUE UMR CNRS 7218 – Paris, Programme 3 : «Articulations des échelles spatiales et temporelles dans le contexte du développement durable» (Articulations of spatial and temporal scales in the sustainable development context). Participation in development of the research project and publication with the team of the Laboratory.

2018 – Scientific Advisor of the research group for the conception of “Iter – Don't just walk the landscape, experience it”, Project selected by Scientific commission StartLAB – Iuav spinoff, to take part at workshop of University IUAV of Venice.

2015-2018 – Scientific Advisor for architectural renovations in Venice historic center.

2010 - 2016 - Preparing HDR - *Habilitation à diriger les recherches* (University Abilitation to direct doctoral thesis). My HDR thesis is about methods of comparative research in urban planning, particularly in the context of Western Europe and between France and Italy

2015 – **Referee** anonymus for scientific journal (class A – O8/F1)

2015, february – ASN - National Scientific Abilitation - Level II – Associate Professor Italian University - MIUR – Ministero dell'Istruzione, dell'Università e della Ricerca Academic Field CNU (Consiglio Nazionale Università) : 08/F1 – Pianificazione e progettazione urbanistica e territoriale (Urban and Territorial Planning and Project) (SSD – Academic Disciplines: Icar 20 – Technique and Urban planning; Icar/21 – Urbanism)

2015 – Town Planner and scientific advisor of the study ARPLAN - during the feasibility studies and the first plan proposal for a new town in Ivory Coast

2010-2013 – Recherche at Universty IUAV of Venise (Supervisor Professors: Donatella Calabi and Franco Mancuso). The central topic of this comparative research France/Italy is the conflicting relationship between zoning and mixité from 1870 to 1945. Research publication (book): *Zoning / Mixité. Alle radici dell'urbanistica italiana e francese. 1870-1945*, Officina Edizioni, Roma, 2013.

2007-2014 – Participation in several PhD seminars in Urbanism at the University IUAV of Venice

2007 - 2010 - Affiliated Researcher (ricercatore affiliato) - Laboratory LOUEST UMR CNRS 7145 - Paris, Unit-Research Vie Urbaine (IUP - Institut d'Urbanisme de Paris - University Paris XII)

2010 - Participation in the Public competition for an University post as Associated Professor - Academic Discipline: Icar/20 Technique and Urban Planning - University of Pavia – Faculty of Engineer (Commission Judgment: very good)

2009 – Affiliated Researcher (ricercatore affiliato) – Laboratory “Vie Urbaine” - Participation in the organization of digitization of the Theses of the Historical archive of IUP - Institut d'Urbanisme de Paris - Université Paris XII (with L. Coudroy de Lille).

2009 - Organisation of exhibition – Urban projects about Marghera (Students works of the University IUAV of Venice – Faculty of Urban Planning - Laboratory of Urbanism – professors in charge: L. Padovani and C. Barattucci) – Ca Tron, Venice, July 2009.

2006 - 2009 – Idoneity Level II for *Maître de conférence* Posts – French University MESR – Ministère de l'Enseignement Supérieur et de la Recherche
Classification of idoneity after participating in public competitions for University posts, Level II – MCF – public competitions organized by several French Universities and Faculties (idoneity: among few candidates allowed for the interview, after the exam the competition commission decide a ranking of the top 3-4 winners) – Academic Discipline CNU: 24 - Aménagement de l'espace, Urbanisme.

2008 - Member of the Commission's final workshop Projet urbain (Professor in charge: L. Pierre) - IUP - Institut d'Urbanisme de Paris (University Paris XII).

2008 – Urban Planner - participation in the first stage of the competition for the new waterfront of the small port of Syracuse (with the studio Glass - Venice)

2003 - 2007 – Four year post-PhD Research Contract (*Assegnista di ricerca quadriennale*) - University of Catania - Faculty of Architecture - based in Syracuse – Academic Discipline (SSD): Icar/ 21 – Icar/20 - Department DARP and ASTRA. Supervisor Professor: Giuseppe Dato (contract from 03.02.2003 to 02.02.2007) - Title of research report (February 2007): “Rules and regulations of the late nineteenth century urban fabric: project proposals for renovation and innovation in Paris and in the Paris region 1980-2005”.

2003-2007 - Tutor of the PhD "Analysis, planning and integrated territory management", University of Catania, Faculty of Architecture: doctoral thesis revisions (with Icar/20 Professor Giuseppe Dato); speeches, lectures, and participation in the organization of PhD seminars.

2004-2006 - Researcher MIUR 40% - Research title : Cuba: Urban expansion / rehabilitation / heritage. (Scientific coordination: Polytechnic of Torino; Unit-Research: DARP - University of Catania - Faculty of Architecture) – MIUR - Ministry of Education, University and Research.
Member of the research group: Participation in the project and in the research.

2006 - Participation in the Public competition for an University post as Associated Professor - Academic Discipline: Icar/20 – Technique and Urban Planning - University IUAV of Venice – Faculty of Urban and Territorial Planning (Commission Judgment: very good-excellent)

2003 - 2006 – Organization (and participation) of study tours to Spain (Barcellona and Bilbao) for students (Faculty of Architecture - University of Catania – Laboratory of Urban Project, 3rd year).

2004 - 2005 – Researcher PRA 60% (PRA – Progetti di Ateneo) - University of Catania - Faculty of Architecture - Research title : *The urbanism of the malls* (PRA - Research University)
Member of the research group: Involvement in the research project.

2003 – Researcher PUCA – Plan Urbanisme Construction Architecture – Paris. Research title : The spatial image in the negotiated process of the urban project (Unit Research: LET - Laboratoire Espace et Travail de l'Ecole d'Architecture de Paris La Villette) - Research funded by the Ministry of Equipment, des Transports et du Logement – PUCA). Member of the research group: Participation of the research project with other LET researchers; literature search, selection of case studies and text drafting.

2003 – Urbanist – Restructuration of architectures and landscape of a rural complex dating back to the beginning of the nineteenth century, located in the Milazzo urbanized countryside (Sicily)

2002 - 2004 – Idoneity for *Maître assistant* Posts – French Schools of Architecture
Ministère de la Culture et de la Communication
Classification of idoneity after participating in public competitions for posts (as Maître assistant – Level II) in School of Architecture – public competitions organized by several Schools (idoneity: among few candidates allowed for the interview, after the exam the competition commission decide a ranking of the top 3-4 winners) - Discipline : Urbanisme et Projet Urbain

2002 – 2003 – Researcher DARP - Department of Analysis, Representation and Project of the Faculty of Architecture - University of Catania. Research title : *Small city urban sprawl*.
Participation in the development of the research project.

2000 - 2002 – Researcher MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – University of Catania – Faculty of Architecture located in Syracuse. Research title: *Archaeological Sites and Urban Planning* – Icar/20 Director Professor : Giuseppe Dato -)

Chiara Barattucci Publications related to research: Essay "Megara Hyblaea between archaeological and industrial area. A micro-history for a territorial project - 1948-2005", in "From Beirut to Noto. Archaeological heritage and urban planning. Studies and research in the Mediterranean countries (dir. G. Dato), Bibl. Cenide of Ed., Villa San Giovanni, 2005, p.178-217; Article: "The innovation of the planning action between research and practice through the relationship between urban project and archeology," In Folio, n. 9, 2000.

1998-2002 - PhD Research (joint supervision Italy/France – *cotutela*)

University Paris 8 (PhD in *Urbanisme et Aménagement - Le projet architectural et urbain*)

University of Palermo (PhD in *Pianificazione urbana e territoriale*)

(Research Fellowship MURST/ FSE - UE 1998-2001)

Research title: Beyond the dense city. Plurality of interpretations and intervention strategies on dispersed urbanizations with prevalence of individual houses. France and Italy 1960-2000
Tutors: P. La Greca (Professor University of Catania) and Y. Tsiomis (Professor Ecole d'Architecture de Paris La Villette). Comparative research on dispersed urbanizations, structured on the relationship between interpretative images and urban planning actions.

1998 – 2001 – Member of the Editorial Board of the PhD Journal *In Folio* – Doctorate “Pianificazione urbana e territoriale” - University of Palermo

2000 – Urbanist – Participation in the Urban Project International competition "Ponte Parodi" (Genoa) - (in the Team of the Studios Ayta - Yannis Tsiomis Atelier and Studio De Cola Associati)

1997 – 2000 – Planner - Collaboration with professor Giuseppe Dato in analyzing and setting the guidelines for some urban plans in Sicily.

1999 - Researcher MURST 40% - (MURST - Ministry of University and of Scientific and Technological Research) – Research title : *Urban upgrading and informal settlements in Egypt in the new scenario of global economy: the case of Alexandria* (Scientific coordination of DPTU - Department of Urban and Regional Planning, University of Rome – La Sapienza, Unit Research: DAU - Department of Architecture and Urban Planning, University of Catania) – Director Professor Giuseppe Dato

Member of the research group: In charge of archival research for historical maps, bibliographic research. Many of the maps found at the Historical Archive of the National Library in Paris and the Institute of the Arab World in Paris have been published in the book of Professor G. Dato about Alexandria.

1998 – Urbanist - Collaboration in the restoration project of a rural complex (1830 - main house, garden, warehouse, etc.) located in the Milazzo urbanized countryside of Milazzo (Sicily).

1998 - Winner of the PhD public competition and of the three-year PhD scholarship (MURST – FSE) in Urban and Territorial Planning (*Pianificazione Urbana e Territoriale*) - University of Palermo

1998 - Admission to the French Doctorate (after obtaining DEA with vote “bien” and after a qualification-based project) – PhD “Urbanisme et Aménagement - Le projet architectural et urbain” - University Paris VIII.

1998 - september - Post-Lauream Degree - DEA (*Diplôme d'Etudes Approfondies*) – « Le Projet Architectural et Urbain : théories et dispositifs » - Ecoles d'Architecture et IFU - Institut Français d'Urbanisme, Université Paris 8 - Specialization annual course - diploma awarded after exams, stage and recherche (mémoire) - A.A. 1997-1998 – Mémoire title : « Changements des formes urbaines / Changements des discours et des démarches - Italie, 1980-1998 » (Supervisor, Professor Philippe Panerai) – Vote : *bien*

1998 - Collaboration for the research and review of the final draft of the book of Professor FC Nigrelli, *Percorsi del Progetto urbano in Francia e in Italia*, Officina, Roma 1999.

1997-1998 – Researcher DEA – Diplôme d'Etudes Approfondies - IFU- Institut Français d'Urbanisme Université Paris 8 and Ecoles d'Architecture - DEA - *Le projet architectural et urbain : théories et dispositifs* –

Title thesis (mémoire): Changement des formes urbaines / changement des discours et des démarches. Italie 1980-1998 (Supervisor Professor Philippe Panerai).

Basic research for the doctorate: it's about the relationship between the urbanization transformations and the relative change of the speeches, actions and vocabulary of urbanism.

1997 – 1998 - Stage Research in Laboratory ACS XIXe-XXe siècle - Ecole de Paris-Villemin. Research title: Formes urbaines. Une bibliographie raisonnée. Bibliographic research and writing of book review (Director: Professor Philippe Panerai).

1997 – Researcher MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – Research title: The capital cities of the Mediterranean less developed countries: urban and territorial planning strategies between global and local (Scientific coordination of DPTU - Department of Urban and Regional Planning, University of Roma-La Sapienza; Unit Research of the DRP - Department of Representation and Project of the University of Messina).

Publications related to research: «Forme insediative contemporanee lungo le nuove coste del Mediterraneo», *In Folio*, n.8, 1999; «Une lecture à différentes échelles d'un territoire de colline des monts Péloritains. Transformations territoriales récentes et patrimoine», Actes du IId International Congress on *Science and technology for the safeguard of cultural heritage in the mediterranean basin*, Ed. Elsevier, Paris, 2000.

1996 - 1997 – Researcher MURST 40% (MURST - Ministry of University and of Scientific and Technological Research) – Research title: New forms of settlement in the territory of Messina (Research Unit of the University of Messina DRP).

Publications related to research: «La trasformazione della costa ionica tra Messina e Siracusa», *Urbanistica Informazioni* n.165, 1999; «Territorio dismesso e pianificazione meridiana» (con G. Dato et F.C. Nigrelli), Atti della XVIII Conferenza Italiana di Scienze Regionali (AISRE), *Europa e Mediterraneo*, Ministero dei Lavori Pubblici e CNR

1997 - september - Post-Lauream Degree - CEAA (*Certificat d'Etudes Approfondies en Architecture*) « Architecture Urbaine », EAPB - Ecole d'Architecture de Paris-Belleville – one-year specialization course - diploma awarded after exams - A.A. 1996-1997 (Responsible of Training, Professor Pierre Pinon)

1996 - september - Winner of post-lauream scholarship (on public competition with exams) for specialization courses abroad (law n. 398 - 30/11/1989)
IUAV - University Institute of Architecture in Venice

1995 - Laurea Thesis - Research IUAV - University Institute of Architecture in Venice
Thesis title: “Describing territory: a Sicily North-Eastern integrated urban system” (Director, Professor Bernardo Secchi).
Publication related: “Un sistema urbano integrato della Sicilia Nord-Orientale” ("An integrated urban system of the North-Eastern Sicily"), in DRP - Rassegna Studies and Research, Dept. Of Representation and Project, University of Messina, vol. 1, 1996, p. 127-144.

Part VIII National and International Congress and Conferences

2020 – Communication and Paper - XXIII Congress SIU – “Downscaling, Rightsizing. Contrazione demografica e riorganizzazione spaziale”, Torino 17-18 giugno 2021. Paper title: *Project proposals for the regeneration of abandoned Calabrian villages*

2019 – Keynote speaker invited – Congress “Urban Imaginaries and Resilient Cities - II. Urban Cultures Project Meeting” - University of Augsburg, 05–06.12.19. Communication in English – paper title: *The Sustainable Regeneration of Venice in the Relationship with its Lagoon and the Mainland*

2019 – XXII Congress SIU – “L’Urbanistica italiana di fronte all’Agenda 2030”, Matera-Bari, 5-6-7 Giugno 2019 – Abstract accepted: *La riqualificazione e rivitalizzazione “sostenibile” di antichi borghi calabresi in corso di spopolamento*

2019 - Invited speaker in the Urbanism course (resp. Prof. F. Infussi) for the lecture entitled "Zoning in the European framework and in Italian urban planning" - Polytechnic University of Milan – Dastu - Faculty of Architecture, Urban Planning, Construction Engineering

2018 - Keynote speaker invited – DCUN Seminar series – “New urban epistemologies & Diffuse Urbanization” – Ecole d’Architecture de Paris-Belleville.

Communication and paper in French – Title: *Les expressions néologiques les plus utilisées par les urbanistes italiens pour nommer la diffusion et la dispersion de l’urbanisation*

2018 - Congress - communication (after accepting abstract) – XXI Congress SIU – Italian Planners Society - Firenze 7-8 giugno 2018. Paper: “La riqualificazione sostenibile dei centri storici come risposta italiana alla moltiplicazione degli ecoquartieri europei” (20.000 car.)

2018 – Responsible for organizing and presenting a Seminar (in streaming too) about historical centers at University IUAV of Venice. Professor invited: Franco Mancuso titolo dell’intervento

2018 - Invited lecturer - intervention and work reviews at the Intermediate Seminar of the 3B Design Laboratory (Resp. Prof. A. Dal Fabbro) entitled "Reality, protection, future of villages, architecture between conservation and transformation" - University IUAV of Venice – Dacc

2017 – Congress - communication (after accepting abstract) – XX Congress SIU – Italian Planners Society – *Urbanistica è/e azione pubblica. La responsabilità della proposta* - Roma, 12-14/06/2017 - Title Paper: “*Per la ristrutturazione del territorio rurale friulano lungo il Tagliamento*”

2017 – Responsible for organizing and presenting a Seminar (in streaming too) about historical centers at University IUAV of Venice. Professor invited: Donatella Calabi.

2016 – Keynote speaker invited – Congress (University of Hong Kong – Faculty of Architecture) “Territories of Metropolis: Compactness, Dispersion and Ecology. Comparative Perspectives Between Asia and Europe” – HKU’s Shangai Study Center, Shangai 5-7 April 2016

2016 - Congress - communication (after accepting abstract) – XIX Congress SIU – Italian Planners Society – Cambiamenti - Catania, 16-18/06/2016 - PAPER : “*L’ex area Snia a Varedo e il Seveso: sperimentazioni di laboratorio per la ristrutturazione territoriale*” (with Renzo Rosso)

2015 - Conference and interventions as invited lecturer at the XXIX cycle Doctorate in Architecture (Urban Planning and Evaluation) - Department of Architecture, University of Naples "Federico II", July 2015

2015 - Congress - communication (after accepting abstract) – Congress SIU – Italian Planners Society - ITALY '45 -'45 – Roots, Conditions, Perspectives , Venice, June 11 to 13 - PAPER: "Among economic and cultural heritage: for 'sustainable' restructuration of the Brenta territory, between Venice and Padua”

2014 - Congress - Communication - (after accepting abstract) - Paper title: “Urbanistica europea sostenibile e ristrutturazione dell’esistente” (“European Sustainable Urbanism and renovation of the existing urbanization”), presented at the Congress INU à Naples on December 2014 and published in the Proceedings of the Congress (in magazine *Urbanistica Informazioni*).

2014 - Congress - Communication - (after accepting abstract) – Paper title: «Riflessioni su un’esperienza quindicennale di ricerca comparativa in campo urbanistico, nel quadro dell’Europa occidentale, tra Francia e Italia» (“Reflections on a fifteen years comparative research experience in urban planning, in the Western Europe context, France and Italy”), presented at the XVII National Congress SIU - Italian Society of Urbanists, 15 to 16 May 2014, Milan Polytechnic and published in the Proceedings (magazine *Planum*)

2012 – Conference as invited lecturer – About my comparative research in progress (Zoning / Mixité - France / Italy - XX century) – University of Messina – Faculty Science Politique

2011 – Scientific Advisor: Member of the Selection Committee of the Ministry of Ecology and Sustainable Development (France) - For the selection of research projects to be funded by the program of PUCA - Plan Urbanisme Construction Architecture - titled “Du périurbain à l'urbain”

2009 – Conference as invited lecturer about my researchs at the Annual seminar of Laboratory «Vie urbaine» - IUP - Institut d’Urbanisme de Paris - University Paris XII

2008 - Invited lecturer at the Master “Sustainable Urbanism” - University of Lausanne – Faculty of Geoscience and Environnement. Conference title “The sustainable restructurations of dispersed urbanizations” (Master ‘Urbanisme Durable’ – Director, Professor Antonio Da Cunha)

2007-2009 - Organisation of exhibitions – Urban projects for the ‘central area’ of Veneto (Students works of the University IUAV of Venice – Faculty of Architecture – Laboratory of Urban Project - AA 2007-2008 and 2008-2009, prof. in charge: C. Barattucci) – ex Cotonificio, 2008 and 2009.

2007 – Conference as invited lecturer at the Methodical Seminar of Contemporary History - University of Paris XII - Department of History - Master letters, languages, humanities - Mention history and knowledge of civilizations. Conference title "Culture and urban policy - twentieth century” (Professor resp. of the Master: Catherine Brice)

2007 – Conference as invited lecturer – it’s about Giuseppe Samonà’s book (1959) entitled “L’urbanistica e l’avvenire delle città negli Stati europei” – conference at the research Laboratories “Vie urbaine” and “Gerphau” (University Paris XII - IUP - Institut d’Urbanisme de Paris)

2007 – Congress Communication as invited public speaker – at the International Congress «Densifier les périphéries », June, 12-13 Rennes, Puca, Ministère des Equipements – Communication title: «Restructurer le territoire habité: le cas de Rennes» (summary published)

2007 – Conference as invited lecturer – Conference title : "Urban planning for historical landscapes in Italy" in the Seminar of PhD students of the Institute of Geography - University Paris X (Professor resp. Colette Vallat)

2006 – Conference as invited lecturer for the presentation of the French edition of my book "Urbanisations dispersées. Interprétations / Actions. France et Italie, 1950-2000" (Presses Universitaires de Rennes, 2006) at the IUP - Institut d'Urbanisme de Paris (Université Paris XII)

2005 – Conferences as invited lecturer for the presentation of the Italian edition of my book "Dispersed Urbanizations. Interpretations and Actions in France and Italy, 1950-2000" (Officina, Rome, 2004) at the Ecole d'Architecture de Bretagne and the Faculty of Architecture of the University of Catania.

2003 - Congress Communication as invited public speaker – Congress "Les mots de la ville et les langages spécialisés de l'urbain" (organized by L. Coudroy de Lille and O. Ratouis) at IUP - Institut d'Urbanisme de Paris - Université Paris XII – Laboratory "Vie urbaine". Communication Title: "The urban language of Italian urbanists between *campagna urbanizzata* and *città diffusa*". Contribution approfondie dans l'article "*Campagna urbanizzata, urbanizzazione diffusa e città diffusa: les inventions lexicales des urbanistes italiens après 1960*" accepté pour la publication en 2010 et en 2014 dans le volume: Coudroy de Lille L., Ratouis O. sous la dir.)

2000 – 2002 – Conferences as invited lecturer on my PhD research – for the students of post-graduate DEA - Diplôme d'Etudes Approfondies – "The architectural et urban project " - (IFU - Institut Français d'Urbanisme - University of Paris VIII and Schools of Architecture) and for the Phd students of niversity of Palermo - Faculty of Architecture

1999-2000 - Organization of Seminars and Conferences at the Ecole d'Architecture de Paris-Belleville (I invited professor Bernardo Secchi) and at the University of Catania and Palermo (I invited professor Yannis Tsiomis)

1999 - Congress Communication (after paper were accepted) at the Second International Congress on *Science et technologie pour la sauvegarde du patrimoine culturel dans les pays du bassin méditerranéen* (in Paris) - Paper Title: "Une lecture à différentes échelles d'un territoire de colline des monts Péloritains. Transformations territoriales récentes et patrimoine" (published in the Conference Proceedings)

1998 - Congress Communication at the XVIIIe Italian Congress of Regional Science "Europe and the Mediterranean" – Paper title (with G. Dato and F.C. Nigrelli) : "Abandoned Territory and Southern Urban Planning" (Publication in the Proceedings of the Congress).

Part X– Selected Publications
