Short CV in English

Marco Bianconi MA PhD MRTPI is a planner with more than 15 years' experience in private sector consultancy and academic research. His areas of expertise include the integration of land use policy and transport planning, spatial planning frameworks, and EU programmes and policy evaluation. Marco is currently employed as Senior Consultant at Mobility in Chain where he directs and manages a wide array of research and consultancy projects. Recent examples include a comparative assessment of land value capture tools in Europe (2016), and work for the OECD on the governance of land use project (2015). Before joining MIC, Marco worked as a research fellow at Politecnico of Milan where he lectures regularly. He is a chartered member of the RTPI, an Honorary Senior Research Associate at University College London, and a certified PRINCE2 Practitioner.

Autorizzo il Politecnico di Milano a pubblicare il presente curriculum sul sito WEB di Ateneo, ai fini istituzionali e in ottemperanza al D. Lgs n. 33 del 14 marzo 2013 "Decreto trasparenza" come modificato dal D. Lgs. 97 del 2016.
