WORK EXPERIENCE

-
- 2016–Present **Full Professor, Economics and Management**
Politecnico di Milano, Milan (Italy)
Chairs: Finance and Management of Infrastructure Investments, Management and Finance of Natural Risks.
Member of the scientific board: Ph.D Program in Data Analytics and Decision Sciences (interdisciplinary program).
- 2015–Present **Member of the Investment Committee of the European Fund for Strategic Investments (EFSI)**
European Investment Bank, Luxembourg (Luxembourg)
The Investment Committee is responsible for examining potential projects in line with the EFSI investment policies and for approving the support of the EU guarantee for EIB operations, in the context of the so-called Juncker Plan. From 2015 to June 2019, EFSI has mobilised investments in the order of 510 billion euros.
- 2019–Present **Member of the Board of Directors**
Arexpo Spa, Milan (Italy)
Arexpo is aimed at developing the area of Expo 2015, where the Human Technopole is based, to transform it into MIND Milano Innovation District. The district will be a hub for research in the fields of Life Sciences and Data Science.
- 2018–Present **Member of the Steering Committee**
CADS (Center for Analysis, Decisions, and Society) - Human Technopole, Milan (Italy)
- 2017–2018 **Co-Director**
CADS (Center for Analysis, Decisions, and Society) - Human Technopole, Milan (Italy)
CADS is a joint center between the HT and Politecnico di Milano. It is focused on the analysis of socio-economic data and on the economic analysis of public and health policies.
- 2017–2018 **Coordinator of the Scientific Project Unit**
Human Technopole, Milan (Italy)
Scientific contribution to the HT Project Team, which managed the transition to the set up of the HT Foundation.
- 2015–2017 **Member of the team in charge of producing the Scientific Masterplan**
Human Technopole, Milan (Italy)
Pammolli contributed as visiting senior scientist at IIT - Italian Institute of Technology, which was in charge of the design and launch of HT.
- 2016–2016 **Advisor**
Minister of Education, University and Research, Roma (Italy)
Focus: internationalization of research.

- 2004–2016 Professor of Economics and Management**
 IMT Institute for Advanced Studies Lucca, Lucca (Italy)
- While at IMT, Pammolli launched and directed the Ph.D. in Economics, Management, and Data Sciences, a multidisciplinary program focused on the development and application of analytical techniques in economics and management science. At the IMT, Lucca Fabio held the Chair of Management Science and Corporate Finance, and he served as the Director of the research unit Axes (Analysis of complex Economic Systems), coordinating a multidisciplinary team of assistant professors in management science, economics, statistical physics, computer science, and statistics.
- 2013–2014 Visiting Scientist**
- In 2013 - 2014 Pammolli visited four leading Universities in Europe and in the US. First, he was a visiting research fellow at OFCE (Observatoire Français des Conjonctures Economiques), Sciences Po, Paris, France. He was then a visiting research fellow, STICERD, The London School of Economics, London, UK. In the US, he was a visiting scholar at the Department of Economics, Harvard University, Cambridge Ma. US. Finally, he was a visiting research fellow at the Laboratory for Information and Decision Systems (LIDS), Massachusetts Institute of Technology, Cambridge Ma. US.
- 2004–2012 Founding Rector and President of the Executive Council**
 IMT Institute for Advanced Studies, Lucca (Italy)
- The newly founded IMT Institute for Advanced Studies (www.imtlucca.it) is a public Italian graduate school, which Pammolli designed as an international multidisciplinary graduate school (<https://www.nytimes.com/2012/08/13/world/europe/13iht-educlede13.html>). IMT was ranked as the first Italian university in terms of research output and productivity in the two national research assessment exercises performed by the National Agency established by the Italian Ministry of Research and Education for the years 2008-2010 (economics) and 2011-14 (overall performance).
- 2012–2016 Scientific coordinator**
 Crisis Lab@IMT
- Pammolli served as the scientific coordinator of Crisis Lab@IMT a multi-year research project funded by the Italian Ministry of Education (Progetti di Rilevanza Nazionale, total funding 6M €) where IMT, in collaboration with the National Council of Research, has created a unique computational infrastructure and data repository to analyze the structure and evolution of a variety of economic systems.
- 2014–2015 Member of the ERC Peer Review Panel**
 European Research Council, Brussels (Belgium)
- Starting Grants 2014.
 Panel: Markets, Individuals and Institutions (SH1); domain: Social Sciences and Humanities.
- 2012–2015 Member of the Expert Committee for the Assessment of Labour Market Reforms**
 Ministry of Labour and Welfare, Rome (Italy)
- Policy evaluation and impact analysis. Report on the impact of labour market reforms.
- 2011–2012 Member of the Pension Expenditure Assessment Board**
 Ministry of Labour and Social Policies, and Ministry of Economy and Finance, Rome (Italy)
- Impact analysis and long-term projections for public pensions expenditure. Report on pension expenditure sustainability. Support to the definition of benchmark allocation and evaluation criteria for regional health care expenditure in Italy.
- 2003–2006 Member of the Commission on Intellectual Property Rights, Innovation and Public Health**
 WHO (World Health Organization), Geneva (Switzerland)

In 2006, the Commission published the Report "Public Health, Innovation and Intellectual Property Rights", World Health Organization, Geneva, Switzerland. The report is available at: <http://www.who.int/intellectualproperty/report/en/>
