2020-21_ Lecturer in Urban Design Workshop MILANO CORTINA 2027. Strategies and guidelines for post-event sustainable living at Politecnico di Milano– Professor Isabella Inti, Alberta Cazzani, Kousidi Stamatina.

(<https://milanocortina2027lab.wordpress.com/>)

055976 – URBAN DESIGN

2020-21_ Lecturer in Infrastrutture urbane e pianificazione dei trasporti at Dipartimento di Architettura, Design e Urbanistica, UNISS Università di Sassari. Professor Isabella Inti

(<https://www.architettura.aho.uniss.it/it/persona/docenti-esterni>)

ICAR/05 | CAP LM48

2019-20_ Lecturer in Urban Design Workshop MILANO CORTINA 2027. Strategies and guidelines for post-event sustainable living at Politecnico di Milano– Professor Isabella Inti, Riccardo Mazzoni, Irene Toselli.

(<https://milanocortina2027lab.wordpress.com/>)

053045 – URBAN DESIGN

2018-19_ Lecturer in Urban Design Workshop RECONSTRUCTION COMMON GROUND_ Castelsantangelo sul Nera, Ussita at Politecnico di Milano– Professor Isabella Inti, Riccardo Mazzoni, Irene Toselli.

(<https://reconstructioncommongroundcamerinofiastraussita.wordpress.com/>) 053045 –

URBAN DESIGN

2018_ External Expert for CHINESE NATIONAL RURAL PLANNING COMPETITION for college student majoring in urban rural planning. Invited from the Dean of the School of Architecture Hunan University, China.

2017-18_ Lecturer in Town Planning Design Workshop RECONSTRUCTION COMMON GROUND_ Norcia, Castelluccio, Visso at Politecnico di Milano– Professor Isabella Inti, Riccardo Mazzoni, Silvia Sbattella. (<https://reconstructioncommongroundnorcia.wordpress.com/>) 093381 - URBANISM

2016-17_ Technical Director POSTGRADUATE COURSE TEMPORARY REUSE. Strategies and tools for the temporary reuse of abandoned spaces at Politecnico di Milano– Scientific Director prof. Gabriele Pasqui (<https://cdpriusotemporaneo.wordpress.com/>).

2016-17_ Research Fellow of Department of Architecture Polytechnic of Milan with “**OPEN URBANISM. Designing and activating the territorial regeneration, in Italy**”.

2017_ External Expert for U-RISE Master in Urban regeneration and social innovation – IUAV University, faculty of Architecture and Urban Planning, Venice

2016-17_ Lecturer in Town Planning Design Workshop GHOSTOWN LABORATORY. Badolato, Riace at Politecnico di Milano– Professor Isabella Inti, Riccardo Mazzoni, Silvia Sbattella. (<https://ghostownlabriacebadolato.wordpress.com/>) 093381 - URBANISM

2016_ External Expert for U-RISE Master in Urban regeneration and social innovation – IUAV University, faculty of Architecture and Urban Planning, Venice (<http://urisemaster.org/>)

2015-16_ Technical Director POSTGRADUATE COURSE TEMPORARY REUSE. Strategies and tools for the temporary reuse of abandoned spaces at Politecnico di Milano– Scientific Director prof. Gabriele Pasqui (<https://cdpriusotemporaneo.wordpress.com/>).

2015-16_ External Expert for U-RISE Master in Urban regeneration and social innovation – IUAV University, faculty of Architecture and Urban Planning, Venice (<http://urisemaster.org/>)

2015-16_ Lecturer in Town Planning Design Workshop GHOSTOWN LABORATORY. Iglesias Nebida Masua at Politecnico di Milano– Professor Isabella Inti, Maria Chiara Pastore, Caterina Padoa Schioppa. (<https://ghostownlaboratory.wordpress.com/>) | 093381 - URBANISM

2015_ External Expert for Master’s project at EPFL- Ecole Polytechnique Federale de Lausanne (CH), Master thesis coordinated by prof. Harry Hugger.

2014-15_ Lecturer in Town Planning Design Workshop POMPEII LABORATORY. Heritage and Urbanism at Politecnico di Milano– Professor Isabella Inti, Caterina Padoa Schioppa, Paola Pellegrini (<https://pompeilaboratory.wordpress.com/>) | 093381 - URBANISM

2014_ Visiting professor for PISU- Prishtina International Summer School at University “Hasan Prishtina”, Kosovo, theme “Common Ground Prishtina_ Which heritage?”.

2013-14_ Lecturer in Town Planning Design Workshop COMMON GROUND LABORATORY. Prishtina at Politecnico di Milano– Prof. Isabella Inti, Caterina Padoa Schioppa, Paola Pellegrini (https://commongroundlaboratory.wordpress.com/cgl_prishtina/program/) | 093381 - URBANISM

2013_ Visiting professor for PISU- Prishtina International Summer School at University “Hasan Prishtina”, Kosovo, theme “What Happens in the Streets of Prishtina?”.

2012-13_ Lecturer in Town Planning Design Workshop LABORATORIOBRINDISI at Politecnico di Milano- Professor Isabella Inti, Pier Paolo Tamburelli
(<https://laboratoribrindisi.wordpress.com/>).

2011-12_ Lecturer in Town Planning Design Workshop LABORATORIOAUGUSTASIRACUSA at Politecnico di Milano – Professor Isabella Inti, Pier Paolo Tamburelli.
(<https://laboratorioaugustasiracusa.wordpress.com/>).

2011-12 Applied research Fellow of the European Commission, Ministry of Labour, Health and Social Policies, Region Lombardy and Department of Architecture Polytechnic of Milan, La Cordata snc. Title: **EXPO 2015 TEMPOLIVING. Container Sustainable housing solutions for temporary populations in marginal areas-** feasibility study.

2010-11_ Lecturer in Town Planning Design Workshop LABORATORIOROSARNO at Politecnico di Milano – Professor Stefano Boeri, Isabella Inti, Pier Paolo Tamburelli.
(<https://laboratoriorosarno.wordpress.com/>).

2010_ Research Fellow of Department of Architecture Polytechnic of Milan with “**METROBOSCO: New green systems around Milan, as a contribution to the territorial legacy of Expo 2015**”

2007-08_ Research Fellow of Department of Architecture Polytechnic of Milan and the Province of Milan with “**METROBOSCO: Proposals for a belt of parks and wooded areas around Milan**”

Visiting lecturer for the following courses in Italian and English:

2007-08 Theory and methods of contemporary architecture at Politecnico di Milano (*prof. S. Boeri*);

2006-07 Town Planning workshop at Politecnico di Milano (*prof. S. Boeri*),

2006-07 Theory and techniques of architecture at Politecnico di Milano (*prof. S. Boeri*); **2006-07**

Landscape and Environment Geography at Politecnico di Milano (*prof. A. Lanzani*); **2005-06**

Analysis of the city and the Territory at Politecnico di Milano (*prof. E. Granata e C.*

Novack)

2005-06 Urban planning design workshop at Politecnico di Milano (*prof. S. Boeri*);

2005-06 Theory and methods of Architectural Design at Politecnico di Milano (*prof. S. Boeri*);

2003-04 Architecture laboratory at USI Academy of Architecture in Mendrisio (CH), (*prof. S.*

Boeri)

2002-03 Architecture laboratory at Domus Academy Milan (*prof. S. Boeri*)

RESEARCH ACTIVITIES

2020- ongoing “LIFELINES, care infrastructure”, I collaborate in research coordinated by prof. Camillo Boano / UCL Bartlett Development Planning Unit, London, prof. Cristina Bianchetti/ DIST Department, Politecnico of Turin.

2017-19 “SoHoLab”The regeneration of large-scale Social Housing estates through LivingLabs”, I work in research for the development and management of activities related to the realization of **GreenLivingLab San Siro project** in Milan. JPI – Urban Europe Call 2016 – ERA NET COFUND SMART URBAN FUTURE. Project carried out with the support of the Fund My Playgreen-Timberland, managed by the King Baudouin Foundation; in collaboration with [VUB – Vrije](#)

Universiteit Brussel , SLRB Societé du Logement Bruxelles, Samenlevingsopbouw, Habitat et Renovation, Politecnico di Milano -DASU, Eupolis Lombardia, Osservatorio Regionale sulla Condizione Abitativa-Regione Lombardia, Aler Milano, temporiuso.net, AUSer- Architecture Urbanisme.

2016-17 “OPEN URBANISM. Designing and activating the territorial regeneration, in Italy”. The research, initiated within the Department of Architecture of the Polytechnic of Milan, investigates, identifies and suggests a vision, guidelines, pilot projects in order to activate a process of urban regeneration in the current geopolitical condition. The research led to the publication of the book: Inti, I. “PIANIFICAZIONE APERTA. Disegnare e attivare processi di rigenerazione, in Italia”, ed. LetteraVentidue, 2019.

2017 SCALI MILANO. Participation in the scientific committee of the FS group Scali Milan for the definition of a regeneration process of the 7 former freight terminals in Milan.

2017 COMMON GROUND MILANO. The research, initiated with temporiuso.net, ADA Stecca and Dynamoscopio associations, investigates devices, rules, actions to trigger the Common Ground process in Milan. A cycle of meetings open to the public, invites the players and managers of socio-cultural spaces in Milan to a debate and shared reflection.

2016 “PERIFERIE PIONIERE. Gli usi temporanei come dispositivi per l’ascolto, l’innesco e l’accompagnamento alla trasformazione _ Request for curatorial research lesson from MIBACT Ministry of Cultural Heritage in collaboration with Ordine Architetti di Roma | with Federica Galloni, Director MIBACT, prof. Camillo Boano, Senior Lecturer, The Bartlett Development Planning Unit, UCL, London (UK); Luca Montuori, Professore Associato Facoltà di Architettura della Università Roma Tre, Anna Detheridge, Connecting Cultures; Michele Lo Iacono, architetto LABuaT; Matteo Persichino, Temporiuso.net; Federica Verona, Architetto e consigliere di gestione Consorzio Cooperative Lavoratori.

2015-17 WHICH COMMON GROUND FOR THE BALKANS? A cross-disciplinary platform for the definition and sharing of socio-cultural common rules Partners: Kosovo Glocal (Kosovo 2.0), Prishtina, KS; ALARM, Belgrade, RS; Temporiuso.net, Milan, IT; TULLA Culture Center, Tirana, AL | with a grant of BAC Balkans Art and Culture Fund of the European Cultural Foundation (ECF).

2015_ CANTIERI ITALIA. Architettura come processo tra società e cultura. Request for curatorial proposal from MIBACT Ministry of Cultural Heritage as curator of the Italian Pavillion at the 15th Biennale of Architecture Venice 2016 “Reporting from the Front”.

2013-15 “COMMON GROUND PRISHTINA” *strategies, devices and pilot projects for the enhancement of the public spaces and the local communities of Prishtina, Kosovo.* Interdisciplinary exchange between Politecnico di Milano and University “Hasan Prishtina”, Kosovo.

2013-14 “TERRITORI DELLA CONDIVISIONE” I participated in the interdisciplinary group of Politecnico di Torino, coordinated by prof. Cristina Bianchetti. We published the book, “TERRITORI DELLA CONDIVISIONE”, C. Bianchetti con M. Bricocoli, O. de Leonardis, E. Giannotti, I. Inti, A. Sampieri, P. Savoldi, A. Todros | ed. Quodlibet, June 2014.

2009-17 “RI-USO TEMPORANEO *Temporary reuse experiences and policies of empty buildings in Europe. A proposal for environmental sustainability and the development of Milan”*, planning, coordinating research and tutor for trainee students.

2011-12 “EXPO 2015 Tempoliving. *Sustainable container Housing solutions for temporary populations in marginal areas – Feasibility study urban, architectural and management”.* Research grant.

2007-09 “ METROBOSCO, a belt of parks and wooded areas around Milan. A pilot project of the Strategic Plan of the Province of Milan that envisages the creation of a green ring of about 30,000 and the planting of 3 million trees to value the territory, reduce fine particulate matter and CO2, pose a barrier to the spread urban sprawl. With researchers and collaborators of the laboratory multiplicity.lab coordinated by Prof. Stefano Boeri. Research grant and coordinating research group and project.

2008 “ABU DHABI CAPITAL CITY. Planning program for Federal precinct. I participated in an interdisciplinary group of Politecnico di Milano, coordinated by prof. Sandro Balducci.

2007 “DUBAI .Future vision for the development of the city ”. I participated in an interdisciplinary group of Politecnico di Milano, coordinated by prof. Sandro Balducci.

2005-07 “Milano. Cronache dell’abitare”. A survey on the different ways of living in Milan. With researchers and collaborators of the laboratory multiplicity.lab coordinated by Prof. Stefano Boeri.

2001-2003 ASFALTO, il carattere della città / Asphalt, the character of the city. I worked at the Milan Triennale to the research and the editing of the exhibition and to the publication of the homonymous book, with Mirko Zardini and Giovanna Borasi.

2000-2001 IReR (Istituto di Ricerca della Regione Lombardia/ Research Institute of the Lombardy Region) I was involved in the drafting of several studies of urban regeneration and Zoning. Among the most important: - *Metropolitan areas and water quality: the Milan area. environmental rehabilitation; PRMT_ Regional Plan for Mobility and Transport.; POLI_PO. feasibility study for the construction of a multifunctional center designed to support economic development and business Oltrepo 'Pavese;*

-*TORRENTE STAFFORA. Identification of potential flood areas from the historical and geomorphologic point of view.*

-*PUM (Urban Mobility Plan)- Guidelines for freight transport logistics of the Municipality of Milan;*

- *territorial survey on the legacy of the European programs Interreg II, Docup Ob 2, Docup Ob 5, Resider II, Retex II, Konver, PMI;*

- *territorial survey on the legacy of the Industrial Districts 1995-1999.*

1999_ City's planning department Lombardy Region, I got one year scholarship for research at the Urban Planning Department.
