

VITTORINO PATA

- **Born in Bergamo (Italy) on Sept. 15, 1966**
- **Full Professor of Mathematical Analysis - Politecnico di Milano**

EDUCATION

- 1985** Scientific high school diploma. Final grade: 60/60
- 1990** “Laurea” diploma *cum laude* in physics, Università di Milano
- 1990** Summer school of mathematics at Perugia, promoted by the CNR (National Research Council) of Italy
- 1992** Graduate student in pure mathematics at Indiana University, with a CNR two-year fellowship
- 1993** Master’s degree in pure mathematics, Indiana University
- 1994** Ph.D in pure mathematics, Indiana University. Final GPA: 4.00/4.00
- 1995** Post-doctoral fellowship, Università di Milano

FORMER POSITIONS

- 1990-91** Researcher at the “Mario Negri” Institute, Bergamo
- 1992-95** Teaching assistant at Indiana University
- 1996-00** Assistant professor of mathematical analysis, Università di Brescia
- 2000-01** Associate professor of mathematical analysis, Politecnico di Milano

VISITING POSITIONS

- 1998** Indiana University
- 1999** Institut “Henri Poincaré”, Université de Paris VI
- 2004** Université de Poitiers
- 2008** Russian Academy of Sciences
- 2012** Université de Picardie

RESEARCH FIELDS

- Partial differential equations
- Dynamical systems
- Functional Analysis and Measure theory

PUBLICATIONS

- About 150 published papers on international journals
- Over 2500 citations; H-index 28 (Scopus, 2019)

EDITORIAL BOARDS

- Asymptotic Analysis
- Evolution Equations and Control Theory
- Applied Mathematics & Optimization
